

Locked PDF — Unlock PDF Test Data File

This PDF is password-protected and is used exclusively for Unlock PDF test scenarios:

TC_UNLOCK_007, TC_UNLOCK_008, TC_UNLOCK_009, TC_UNLOCK_010, TC_UNLOCK_013, TC_E2E_021.

The password for this file is: **test1234**

Do not change the password or re-encrypt this file with a different password, as the test cases hardcode 'test1234' as the correct credential and 'wrongpassword' as the incorrect credential.

Test scenarios covered:

TC_UNLOCK_007 — Upload this file; assert password field appears.

TC_UNLOCK_008 — Enter 'test1234'; assert success or download.

TC_UNLOCK_009 — Enter 'wrongpassword'; assert error message.

TC_UNLOCK_010 — Submit with empty password; assert validation.

TC_UNLOCK_013 — Type password; assert no premature error.

TC_E2E_021 — Full unlock E2E with correct password.
